

Kings Hill Seniors

Kent League Golf

Kings Hill Seniors started their Kent League golf in 2014 when they joined the Kent Golf Veterans League. This league was then divided into seven groups based on a broadly geographical basis. We are in Group 4 and play against.

Rochester & Cobham, Mid Kent, Gillingham, Sittingbourne, Sheerness and Bearsted.

Matches are played on a home and away basis, 5 playing pairs on a 4BBB, starting at 9:00 of before and a two course lunch is provided. The dress code for the lunch after a shower is smart casual. Points are awarded on the following basis, 3 points home win, 1 point home draw, 4 points away win and 2 points away draw.

To play you must be an active KH Senior, be over 60 on the date of the match and have a competition handicap of no more than 18.

In our first year we came a rather poor last. But in years 2 and 3 we came first. This meant we qualified for the all winners competition in consecutive years which were very exciting days.

For 2018, in addition to our Kent Vet's team we have also entered the Kent Golf Super Seniors League. Here you must be over 70 on the day of the match and your competition handicap must no more than 24. Again you must be an active member of the Seniors. The teams in our group are:-

Bearsted, Sittingbourne, Mid Kent, Sheerness, Redlibbets, Gillingham

Points are awarded on the same basis as the Kent Vet's League but the matches start at 1:00 after a light lunch. Like the Kent Vet's it is a team of 5 pairs playing 4BBB. After the match there is no change of clothing; just a few beers and some chat.

To play in both leagues all players are expected to wear the Seniors' logo'd match uniform of white polo shirt, green pullover/slipover and beige trousers.

In addition to the Kent leagues, we play in the Kent Golf Union knock out. This is for three pairs and the minimum age is 60.

Match results will appear on this website and those interested in playing should contact the relevant Team Captains.
